

VILLAGE PROPERTY

82/5-11 Pyrmont Bridge Road Camperdown NSW

1 1

Available from 15th June -

DNA Camperdown's profile is cool, contemporary and liberated. The space is distinctively metropolitan, with a series of low-rise buildings that encircle landscaped chill-out gardens.

Big balconies spill from both your bedroom and living room to catch the flow of air and the views. The open plan kitchen adds form and function. Naturally, there's great storage with extra built-in units provided in the optional study apartments.

Design features of DNA Camperdown include:
